

Welcome to Kindergarten!

We are pleased to welcome you to the 2024 - 2025 school year! We are looking forward to having your child as a student. Kindergarten is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, our most important goal is to create a family of learners in our classrooms. We are committed to creating a classroom environment where your child is valued, trusted, and an integral part of our family of learners. With an established community we can work together to learn so much this year! It is our hope that you will support and encourage this vision at home.

Love,
The Kindergarten Team
